En.
In Feltlab, the documentation of the experiment is an important part of the learning process. All of the paper to be used will be recycled, but also the metal mesh.

En.
Dans les Feltlabs, la documentation de l'expérience est une partie importante du travail d'apprentissage. Tous les déchets de papier et les déchets de métal sont recyclés, mais également la communauté.

Ex.
Some creators don't make sense. With the aim of satisfying a need for consumption, it is sometimes what not to produce that object. More, if in fact it requires more time, energy and materials.

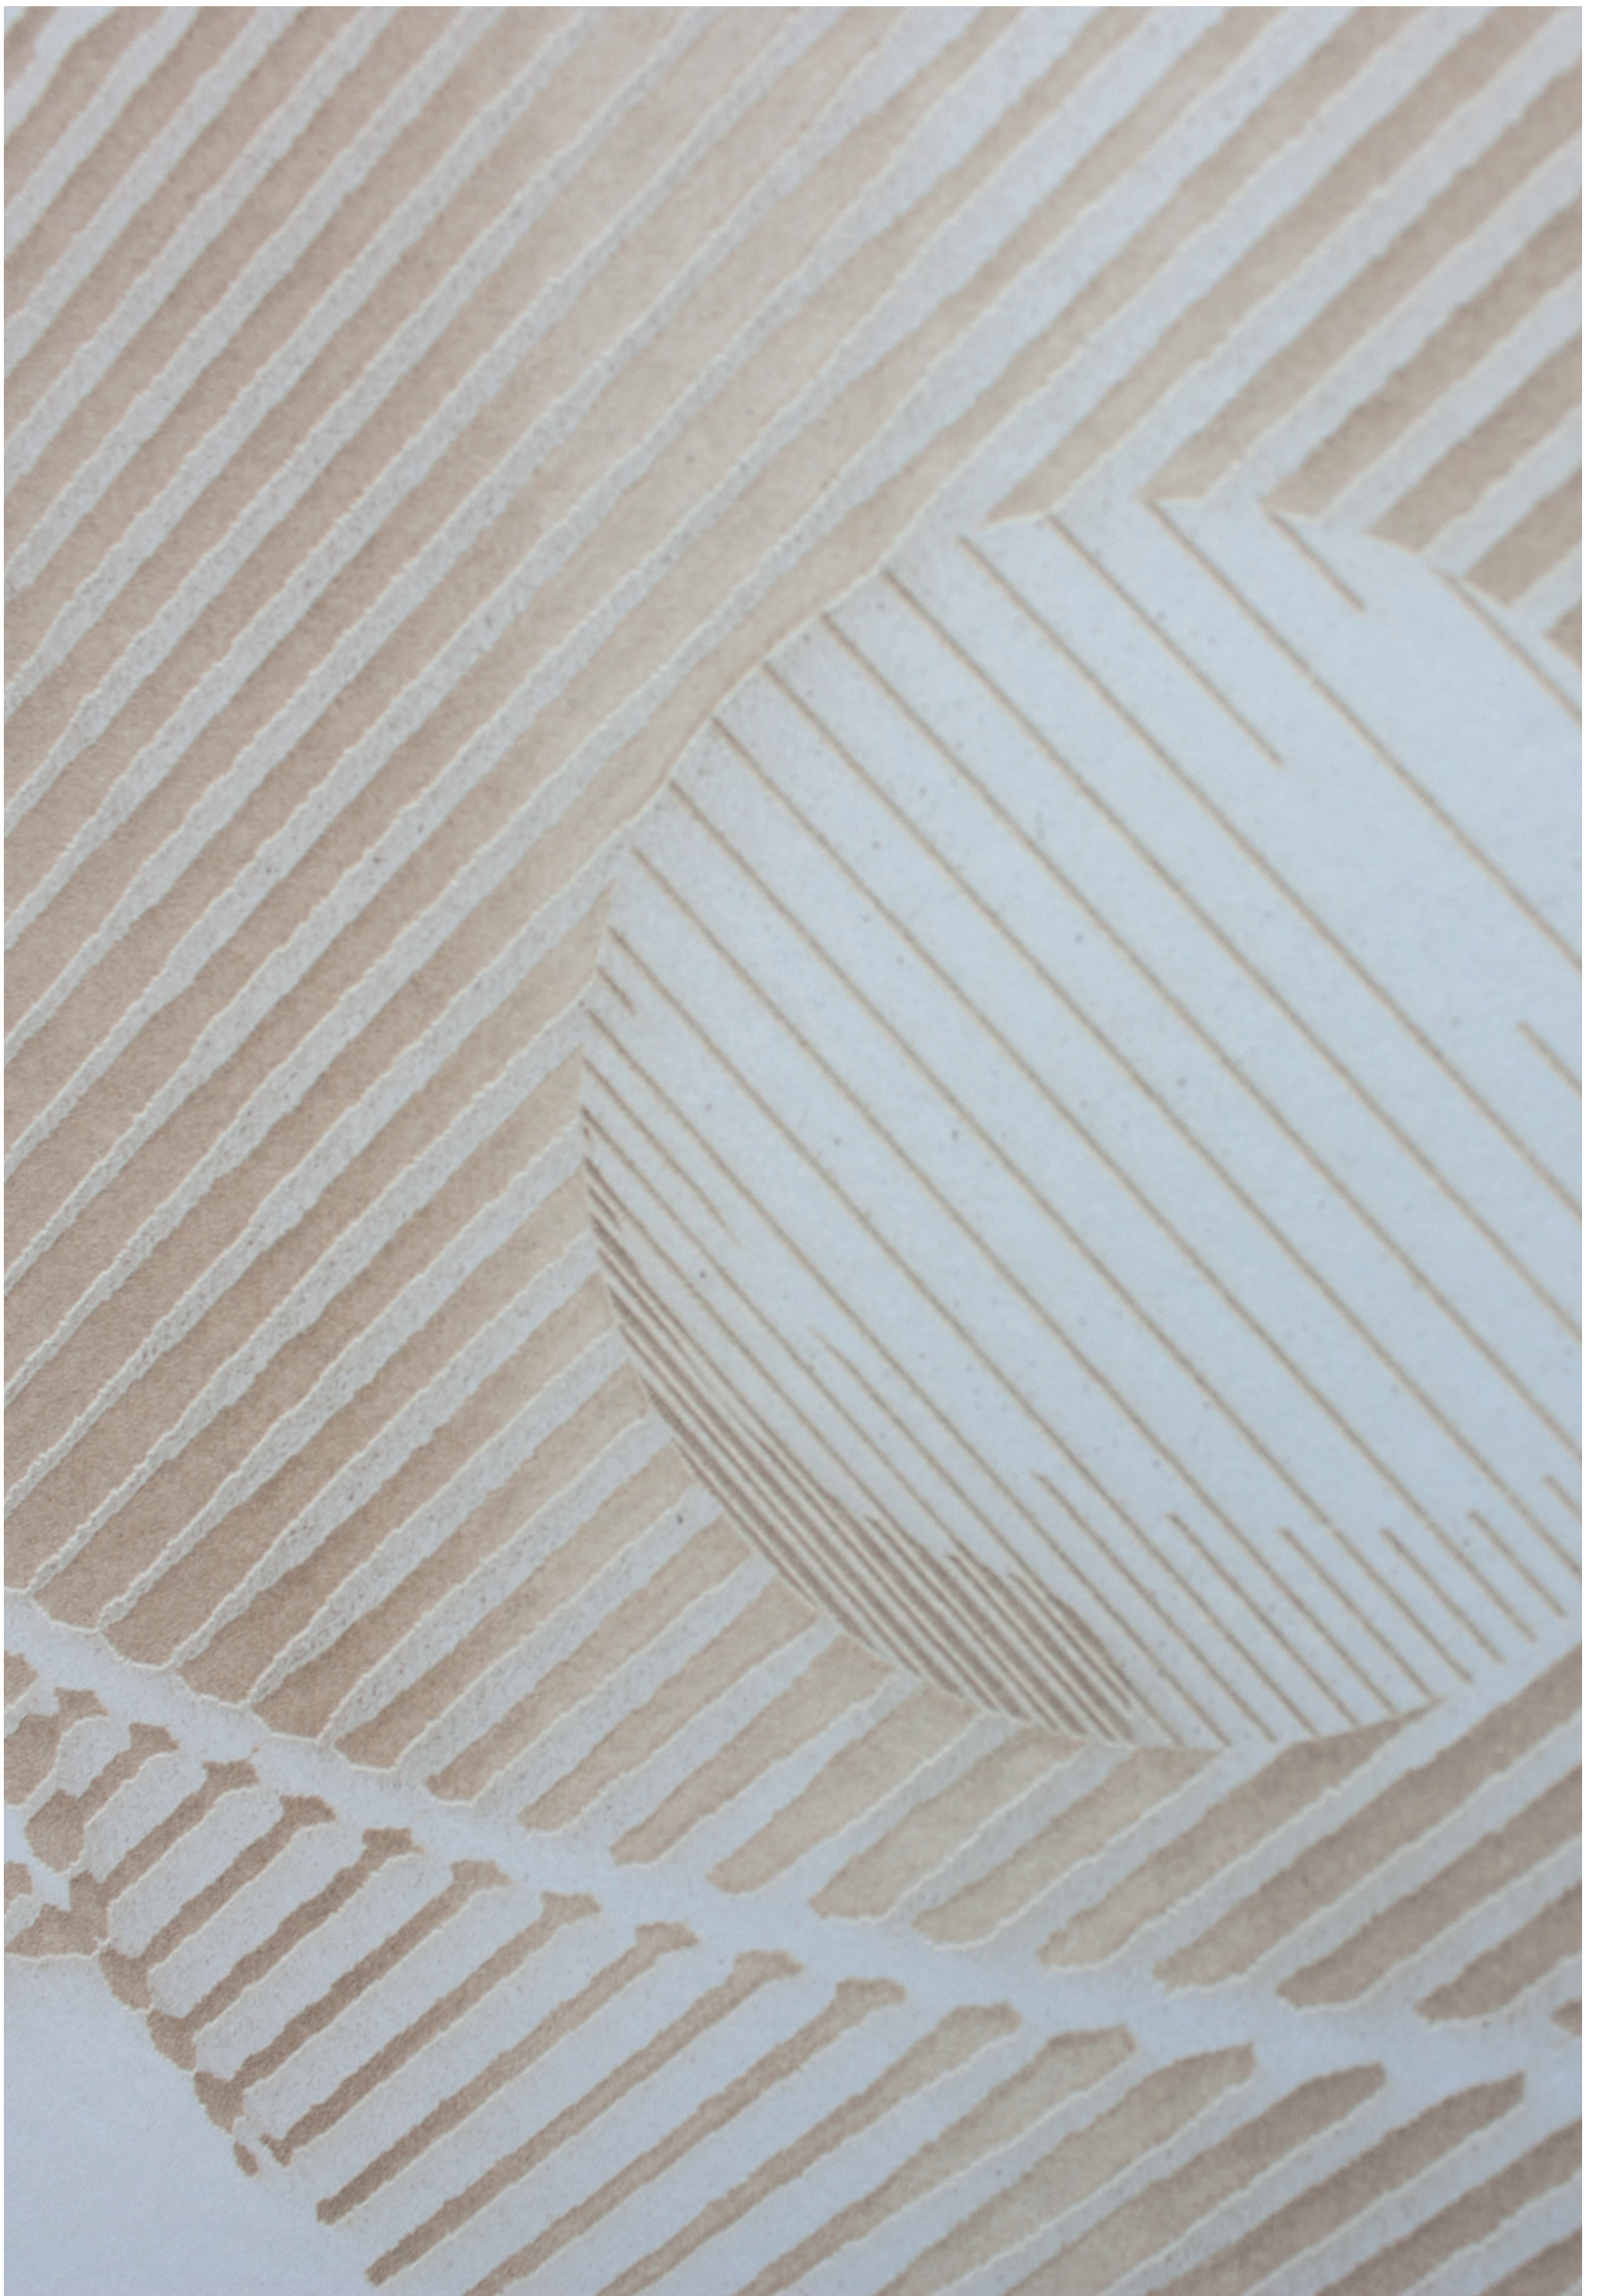

Ex.
C'est comme quand, par le sens, dans le but de répondre au besoin de consommation, il est parfois plus sage de ne pas produire cet objet. Plus, si cela implique plus de temps, d'énergie et de matériaux.

100 Shades of Wood: 1000 Finishes

The finishes are a perfect match for the wood and the design.

Let's make a perfect match for the wood and the design.
